TRANSCREDIT USE OF WEBSITE CONSENT

By using the TransCredit website you hereby consent to our usage of any data you may provide in accordance with the foregoing descriptions and published rate structures regarding any purchases made therefrom.

SECURED DATA

TransCredit maintains reasonable security procedures to protect your data against unauthorized access.

1. We maintain a current SSL Security Certificate for this website
2. Multiple firewall installations to retard hacking.
3. Personnel that have access to data are Certified Credit investigators.
4. IT developers are properly vetted.
5. Data exchanged with third parties is transmitted in a secure environment.

TransCredit endeavors to maintain top security; however we can not guarantee or warrant the security of any data you may submit.
